* For print copy of journal, please send subscription to AERA (India) at the address given below.

* For e-publication and Print + E-publication, please send subscription to Diva Enterprises Pvt. Ltd., B-9, Basement, Block-A, Naraina Vihar, New Delhi 110 028.

The corresponding author in his/her cover letter must give an undertaking that the manuscript is original and has not been published or submitted for publication in any other journal. It should also contain title of the manuscript, name of author(s) along with their affiliation(s) including emails, acknowledgements, and source(s) of funding. The corresponding author should also give an undertaking that if the manuscript is published, the Agricultural Economics Research Association (India) has copyrights on the full contents of the research article.

The Association charges a non-refundable processing fee of Rupees 500/=, which should be remitted through a demand draft or multicurrency cheque favoring Agricultural Economics Research Association, New Delhi.

The full manuscript along with cover letter must be submitted to ceditoraerr@gmail.com with a copy to aeraindia@gmail.com; and send a hard copy of the cover letter and demand draft or cheque to:

Chief Editor
Agricultural Economics Research Review
F-4, A Block, NASC Complex
Dev Prakash Shastri Marg
Pusa, New Delhi 110 012.

Preparation of the manuscript:

Length of the manuscript, including references, footnotes, appendices, tables and figures, should not exceed 8000 words.

Title of the manuscript: Only first letter of manuscript should be in capital. For example; **The impacts of information on returns from farming: evidence from a nationally representative farm survey in India**

Abstract, keywords and JEL classification: Manuscript must be accompanied by an abstract not exceeding 200 words, keywords and JEL classification.

Headings and sub-headings should be in bold and numbered as:

1 Heading; 1.1 Sub-heading; 1.1.1 Sub-sub heading: Only first letter of the headings and sub-heading should be in capital.

Reference citation in the text:

Single author: Roy (2012); Two authors: Roy & Negi (2012); More than two authors: Roy et al. (2012);

Citing more than one author for a single statement: (Roy 2012; Roy & Negi 2012; Roy et al. 2012)

Thesis: Behera, S. (2004). *Impact of technological change*. Doctoral thesis, Indian Agricultural Research Institute, New Delhi.

Headings and sources of tables, figures and appendices: Provide all tables and figures in a form that can be edited.

Table 1. Costs of implementation of food safety measures, 2010.

Provide source below the table: Source: Roy (2012) or Field survey or Estimated by authors.

Figure 1. Costs of implementation of food safety measures, 2010. Graphs and figures should be in black and white with appropriate labelling of vertical and horizontal axis, and legends at the bottom or at the top of the figure. Also provide source of the figure as in the case of tables.

Appendix A1: Costs of implementation of food safety measures, 2010.

Provide source below the table: Source: Roy (2012) or Field survey or Estimated by authors.

Units of measurement: Use abbreviated SI units; for example: ha for hectare, g for gram, kg for kilogram, t for tonne, m for million, and so on, if used second time and after. Use % for per cent.

Footnote: Footnotes should be numbered as 1, 2, 3

Font size: Times 12 font for running text; and 10 for tables, figures and appendices, footnotes, reference list and mathematical equations/notations.

Mathematical equations/notations: All mathematical equations/notations should be written legibly in same font as the text.
